

OUR COMMITMENT TO RESPONSIBLE TRAVEL

La Paz on Foot is deeply committed to responsible travel and subscribes to the universal standards for sustainable tourism as put forth by the United Nation's World Tourism Organization and the [Global Sustainable Tourism Council](#).

WHAT WE DO

- Reduce our use of disposable and non-recyclable plastics
- Reuse paper and use recycled paper products
- Sustain horizontal, respectful relationships with the communities we work in throughout the region
- Work with community-based and indigenous-led tourism initiatives in Bolivia and beyond
- Pay competitive, fully benefited and fair wages to our administrative, sales and operations team members
- Maintain our TourCert Check certification status through improving our sustainability performance
- Adhere to the [Adventure Travel and Trade Association's Values Statement](#)
- Use our social media networks to promote the values and actions of responsible travel and highlight the contributions of Andean cultures to sustainability

Please join us in our efforts to make travel and tourism a positive force in Bolivia and throughout the Andes! For more information on our Corporate Social Responsibility programs, contact info@lapazonfoot.com.
